

CORRECTED AMENDMENT UNDER 37 C.F.R. § 1.312
U.S. Application No. 10/541,234

REMARKS

In Response to Rule 312 Communication, the Examiner disproved the Rule § 312 communication filed March 8, 2007 because in claim 6 labeled with a roman numeral and the specification only provides support for claim 13 for composition percentages based on total content of solids.

Claims 6 and 13 were the only claims amended subject to criticism though "or" was added to Claim 16, the examiner did not mention Claim 16.

Applicants attend to the above criticisms in the present Amendment and request entrance. Entry and consideration of this Amendment are respectfully requested.

Respectfully submitted,
